

FIG. 1

FIG. 2

FIG. 1 is a schematic diagram of a square-shaped device 12 with rounded corners. The device features a central square region 34 filled with a dense grid of small dots. The outer region of the device is labeled 19.

FIG. 1 is a schematic diagram of a square-shaped device 10. The device features a central square region 14, which is populated with a grid of small circles 18. This central region is enclosed by a border 22, which is itself surrounded by an outer frame 24. Two diagonal lines are drawn across the central region 14, intersecting the grid of circles.
